### ABOUT ME

I am a creative and multi-skilled Graphic Designer with hands-on experience in visual communication, branding and motion graphics. Proficient in designing print and digital content including flyers, posters, social media graphics, and animated videos. Adept at transforming client ideas into impactful visual solutions that enhance brand visibility and drive engagement. Skilled in Adobe Creative Suite and passionate about delivering high-quality, deadline-driven design work.

### WORK EXPERIENCE

#### House of kogi (HOK)

Mid level graphic designer

Nairobi, Kenya

01/07/2025 – 01/08/2025

At House of Kogi, I handled graphic design tasks, primarily creating posters and flyers for clients in the business and service sector. My work focused on visually communicating brand messages, enhancing marketing materials, and ensuring cohesive, professional designs that aligned with client goals and promoted their products or services effectively.

#### SEO tv kenya

Entry level graphic designer

Nairobi, Kenya

01/12/2024 – 15/01/2025

I worked at SEO TV Kenya, where I was actively involved in creating montages and designing. Additionally, I handled editing tasks for both photography and videography, ensuring high-quality visual content. My role required creativity, technical skills, and attention to detail in multimedia production.

### EDUCATION

#### Kenya institute of mass communication

Animation & graphic design (diploma)

During my three years in school, I gained extensive knowledge and hands-on experience in various aspects of digital media. I learned both 2D and 3D animation, graphic design, and motion graphics. This period allowed me to develop a strong foundation in creativity, technical skills, and storytelling for visual content creation.
