PROFESSIONAL SUMMARY

Creative and detail-oriented Graphic Designer with professional experience in branding, print design, digital content creation, publication layout, and marketing visuals. Skilled in producing high-impact designs for corporate, humanitarian, media, and business clients. Proficient in Adobe Creative Suite including Photoshop, Illustrator, InDesign, and After Effects. Strong ability to transform ideas into visually compelling content that strengthens brand identity and audience engagement.

WORK EXPERIENCE

Kenya Red Cross Society Graphic Designer · Nairobi, Kenya

Oct 2025 - Present

- Designed posters, banners, and digital visuals for major KRCS events such as the Integrity Conference and PHiE (Public Health in Emergencies) initiatives.
- Refined and standardized designs to align with KRCS branding guidelines, ensuring consistency across print and digital materials.
- Collaborated with communication and program teams to develop creative concepts that effectively communicate key messages.
- Edited and redesigned case studies and reports (e.g., Mulanjo Case Study - Kenya) to make them visually appealing and publication-ready.

Freelance

Graphic Designer · Nairobi, Kenya

Jan - Sept 2025

- Took on independent and self-directed design projects, including a one-month contract with House of Kogi (HOK) in July 2025 designing posters, flyers, and marketing materials for business and services clients.
- Ensured brand alignment across print and digital assets for freelance clients.
- Used the period to expand portfolio work across branding, print, and layout design.

SEO Tv Kenya

Graphic & Motion Designer · Nairobi, Kenya

Nov 2024 - Jan 2025

- Created animations, montages, and graphic templates for TV programs.
- Edited photography and videography projects to enhance storytelling.
- Delivered both digital and broadcast-ready assets under tight deadlines.

EDUCATION

Kenya Institute Of Mass Communication Animation & Graphic Design (Diploma)

Nairobi, Kenya

During my three years in school, I gained extensive knowledge and hands-on experience in various aspects of digital media. I learned both 2D and 3D animation, graphic design, and motion graphics. This period allowed me to develop a strong foundation in creativity, technical skills, and storytelling for visual content creation.

FEATURED WORK

Branding & Print

Layout design for reports and documents, plus posters, banners, and other humanitarian campaign materials for KRCS.

Motion & Broadcast

Animated templates and montages produced under weekly broadcast deadlines for SEO Tv Kenya.

Client & Freelance

Posters, flyers, and marketing materials delivered for independent business clients.
